---

**Question No: 06**

**Question For: Race Committee**

**Question:**

*The diagram for the finish lines for modern and classics suggests a finish boats for each fleet, but SI 14.1 and SI 14.2 has the same position for both committee boats. Should the position for the modern committee boat be 43 16.5703n 006 38.2930e ( The CB end of the start line)? Thank you.*

**Answer:**

Hi, it's a mistake between the French and the English version. You are right, the position is 43 16.570 N 006 38.293E.  
We put the modification in amendment N°3
