

Marina Militare Nastro rosa - EMOEC

Question for Officials

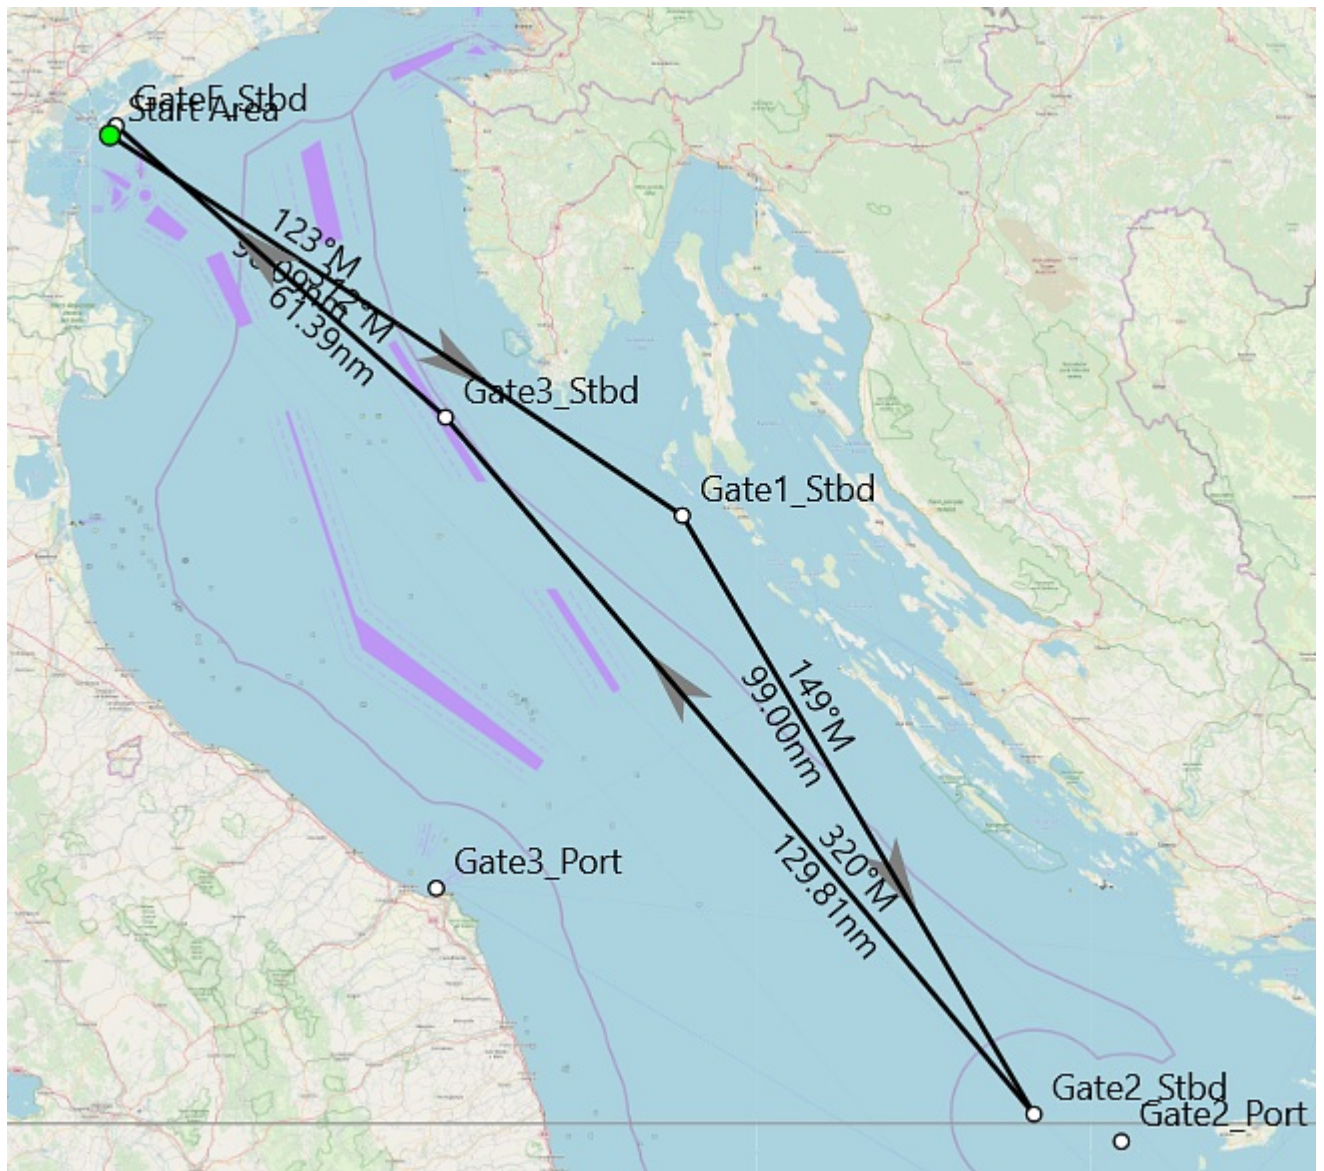

Date: 2024-09-30

Question No: 01

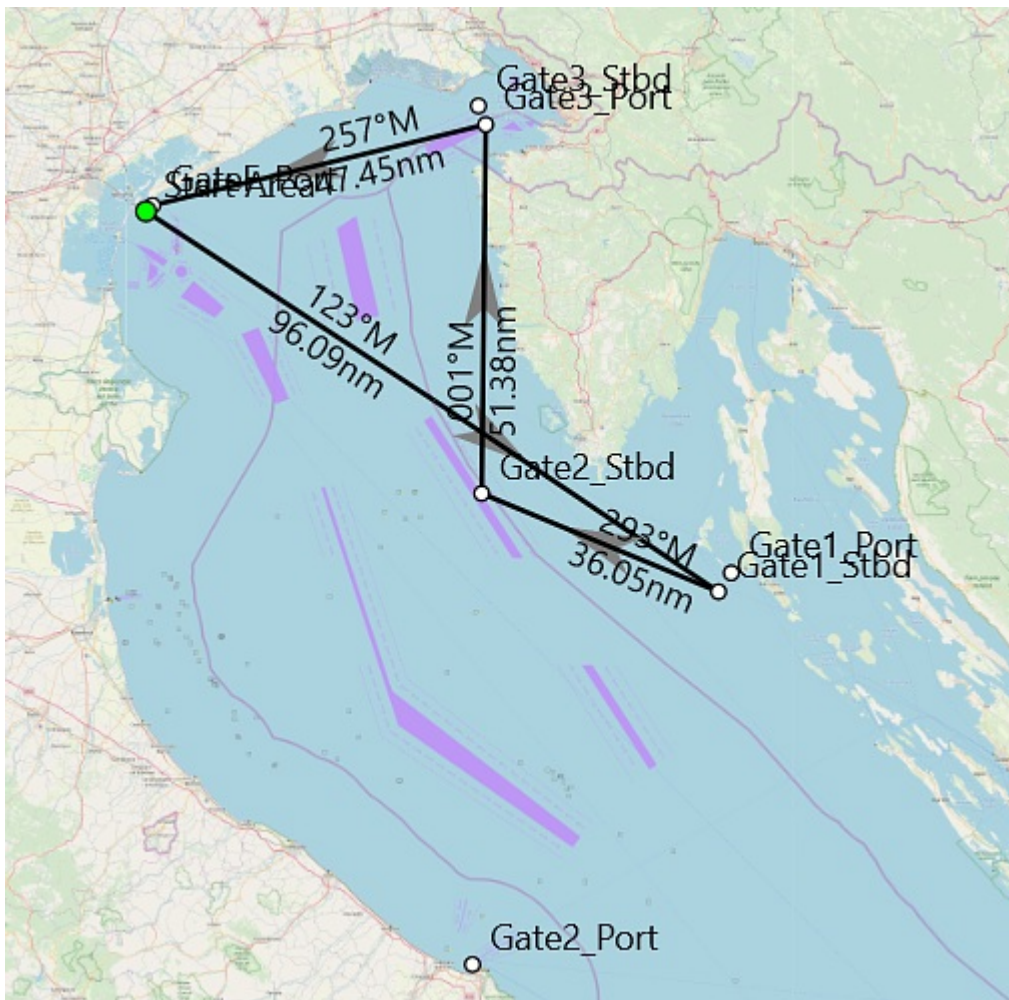

Question For: Race Committee

Question:

Having looked at the courses, I am wondering whether gate 3 stbd of course charlie is given the correct coordinates in the SIs. According to the screenshot, the course should be taking us close to the italian coast on the way back north, while the coordinates seem to suggest an almost direct track would be legal. The same is true for Gate 2 in course Bravo.
