Question for Officials

Date: 2024-10-01

Question No: 12

Question For: Race Committee

Question:

We are sailing the 55 Maxi Cup tomorrow instead of Capricorno. Could you please provide the following information:

- Intended VHF channel for start communications
- Intended start time (after the Modern yachts, but is there an approximate timing available?)

Is the course to be sailed the same as described in the Club 55 Cup SI for classic and modern yachts?

- If yes, can you please provide coordinates for the Nioulargue mark and the finish mark?
 - If not, can you please provide information on the course to be sailed and other information that should be relevant?
-

Answer:
