

# Voiles de Saint-Tropez 2024

## Question for Officials

**Date: 2024-10-02**

---

**Question No: 13**

**Question For: Race Committee**

**Question:**

Repetition of earlier question for the Maxi 55 Cup as the RC answer only relates to the position of the start. Thanks in advance.

Could you please provide the following information:

- Intended VHF channel for start communications
- Intended start time (after the Modern yachts, but is there an approximate timing available?)

Is the course to be sailed the same as described in the Club 55 Cup SI for classic and modern yachts?

- If yes, can you please provide coordinates for the Nioulargue mark and the finish mark?
- If not, can you please provide information on the course to be sailed and other information that should be relevant?

---

**Answer:**

Good morning

A special communication will be sent to you asap . ( Balthasar and My song)
