

SHK Scallywag Foundation Open Dinghy Regatta 2025

Question for Officials

Date: 2025-05-17

Question No: 01

Question For: Organizing Authority

Question:

Regarding NOR 7.1 - Sailor/coach briefing timings:

As the briefing time is scheduled for 1000hrs on Saturday and first warning signal is at 1055... and the average transit time between the launch site and racing area is 43+ minutes not including launching congestion delays. Will Sailor briefing be at the garden bar or on the water at Shelter/Table island?

Answer:

The S.I.s superseded the NOR, and did not contain a sailors briefing.

Thank you for highlighting the discrepancy between the NOR and SIs.
