Question for Officials

Question No: 04

Question For: Race Committee

Question:

Greetings,

It's really not a big deal but I noticed I am scored in third place in the Thursday series. I have the same score as the second place boat but I beat them in the last race. In past races, a tie-breaker went to the boat that won the last race. I am just curious to know if SailWave has a different tie-breaking system.

Thanks!

Rick

Answer:

Good day Rick,

Sailwave scoring for Series Tie-Breakers is set according to RRS Appendix A8.1/8.2.

The first step in breaking a tie is to list each boat scores from best to worst:

d'Adlib scores 2-2-5

Sahara scores 2-3-4

A8.1 states: At the first point where there is a difference, the tie shall be broken in favour of the boat with the best score. If we eliminate both of the first 2s, the next scores are 2 and 3, which goes in favour of d'Adlib. When 8.1 does not resolve the tie, then we look at the last race score as stated in 8.2. Hope this clarifies the tie-breaking process.

Frank
