**Question No: 01**

**Question For: Race Committee**

**Question:**

Please could you clarify 4.1.1 please. The coastal finish is stated as 'a line due south of the published coordinates of Bay mark (V)'. However mark V is noted as Pier mark, not Bay. Is it V (Pier) or W (Bay) please.

Also, the chartlet shows mark Z. However no coordinates are listed for mark Z.

---

**Answer:**

SI amendment 2 will cover SI 4.1.1 - it should read Bay (W).

Zebra mark will not be used during the event
