**Question No: 05**

**Question For: Race Committee**

**Question:**

Dear race office

Could you please explain the following from yesterdays race

It states in the rule book if you were timed out it would be DNF but you have stated RTG what does this mean ? Several boats weren't placed again.

If it was due to being timed out please explain how you choose to extend the big boats from 9pm to 11pm at night for one boat but not for a standard class when you have to continue to be on station ?

Kind regards

Stilleto

**Answer:**

You were classified 9 in yesterday's race so can you please revise and clarify your question if it still applies please?
