Maxi Yacht Rolex Cup

Question for Officials

Date: 2025-09-08

Question No: 01

Question For: Technical Committee

Question:

For the purpose of sailing instruction rule 1.4.2 (b) are there any restrictions on when the Owner Driver or Charter Helm can take the permitted 10 minute break win the first hour after the preparatory signal? If yes, what are these restrictions?

Can you please forward this to the appropriate officials. Thank you, Andy Horton

Answer:

This question has been submitted to the Technical Committee and IMA for Class Rule consideration.

If the Approved Helm is over 75 years old, they must helm for the first 1nm from the start line. Otherwise they must helm for the first 60 minutes from the preparatory signal.
