

2025 Star World Championship

Question for Officials

Date: 2025-09-09

Question No: 01

Question For: Race Committee

Question:

Today after racing; we noticed that some teams have been towed by the raced committee ashore. Can we expect the same service for all sailors? Many thanks in advance,

Ned 8305

Answer:

One of the RC boats did not know the polices about towing. We apologize for this and it will not happen again.
