**Question No: 05**

**Question For: Race Committee**

**Question:**

Later in the evening I saw that I have UFD on race C6. There was only one other sailor who got UFD. Following the GPS track, if I was UFD then there was at least 6 others UFD. some much further over the line and next to the pin and committee boats. Please review or call me to present the video.

**Answer:**

I checked and confirm your UFD in race 6.
