Question For: Race Committee

Question:

Re: SI 12.9.2 Have you considered separating the start of the 12 Meter (Black) class and the CIM Grand Tradition (Purple) class? The 12's are not racing under the CIM rule in LVdST and most of the boats do not even have a CIM rating. The 12's are more maneuverable than the Classics and will be slightly faster than some - but not all of the boats in the Grand Tradition Class creating a situation where the Grand Tradition racing will be greatly affected by the 12 meters... From the perspective off the Grand Tradition class, it would be a fairer race for this signature fleet to start alone on the line like the Epoque Aurique class, and I imagine the 12 meters would feel the same way - racing their race without being affected by the GT class.. We do appreciate that the event has a lot of classes and the need to get all the starts going in a reasonable time frame. Thank you for your consideration.

Answer:

NO CHANGE THE STARTING ORDER
