Question for Officials

Date: 2025-10-13

Question No: 03

Question For: Protest Committee

Question:

I have filed a protest, but the payment system does not work with foreign credit cards. I would also like to edit my protest and have no idea how.

Answer:

The protest time limit expired yesterday at 19:00; the payment system works with foreign credit cards; it is not possible to edit the protest form once it has been submitted.
