Dear Technical Committee, we're asking if it is compulsory to wear the life jacket while racing, or already from the harbour, or if it is not compulsory.

Answer:

It is not mandatory for each competitor to wear a a personal flotation device while racing, unless it is required by RRS 40.

However in accordance with Class Rule C3.1, a boat shall be equipped with personal flotation devices (PFD) for each crew member to the minimum standard ISO 12402-5, (level 50), USCG Type III, CAN CGSB-65.7-2007, or equivalent.
