

Bluenose Regatta

Question for Officials

Date: 2025-11-08

Question No: 01

Question For: Race Committee

Question:

Will be launching from Jericho and RVYC. Can signals made from shore be broadcast on the VHF? and if so, what channel?

Thank you

Answer:

Rob, I will broadcast on VHF on the fleet channels, but I will also contact either Bob Ennenberg or Jericho office if there is a delay on shore. If there is going to be a delay on shore we will try to make an announcement before 11:15
