Question for Officials

Question No: 01

Question For: Race Committee

Question:

Hi Roger,

We have three white sails on our current main. Is it ok to add a 4th black number to this, to complete our full number? Thanks, Kate

Answer:

Hi,

I take it you meant that you have 3 white numbers and one black number today.

I am happy to agree to it today but if we have problems identifying you we may ask that you change the last number to a different colour tomorrow.
