

33rd SEA Games 2025

Question for Officials

Date: 2025-12-15

Question No: 03

Question For: Race Committee

Question:

So, I was browsing through RRS and stumble upon this equipment request. I noticed ILCA 6 Thailand status for requesting change is pending but she still use her new sail since the second day of racing on 11th December. May i know the reason why it is still pending but she use her new sail anyway? I saw the stamp on her sail, yes, but why its still in pending in RRS?
