Question For: Technical Committee

Question:

I would like to seek clarification from the Technical Committee regarding the use of VHF radios during the 2026 F18 World Championship. The F18 Class Rules are closed, and VHF radios do not appear on the listed permitted equipment. Could the Committee please confirm whether carrying a VHF radio on board during racing is permitted, and if so, under what conditions?

VHF radios are not permitted to be carried on board whilst racing. A notice to competitors has been posted to that effect.
