## Question for Officials

**Question No: 01**

**Question For: Race Committee**

**Question:**

Hi, I hope you're well. I am getting in touch regarding Lewis's results from the weekend. He completed both races, finishing 63rd in Race 1 and 50th in Race 2. However, the overall leader board shows Race 2 as 75 DNC. As Lewis is still learning and this was his first event, we're just trying to understand what may have caused the DNC result. If possible, could you check the start records or confirm whether there was an issue with sign-on or sail number registration for Race 2? We'd really appreciate any clarification you can provide. Thanks very much for your help. Kind regards, Joe

**Answer:**

Hello Joe,

This type of request is usually handled via a Scoring Inquiry. In future that is the best way to submit this type of request.

In the meantime, I will have the finish team check their records and let you know when they have, and we will update the results if needed.
