

44° Lake Garda Meeting Optimist

Question for Officials

Date: 2026-04-04

Question No: 05

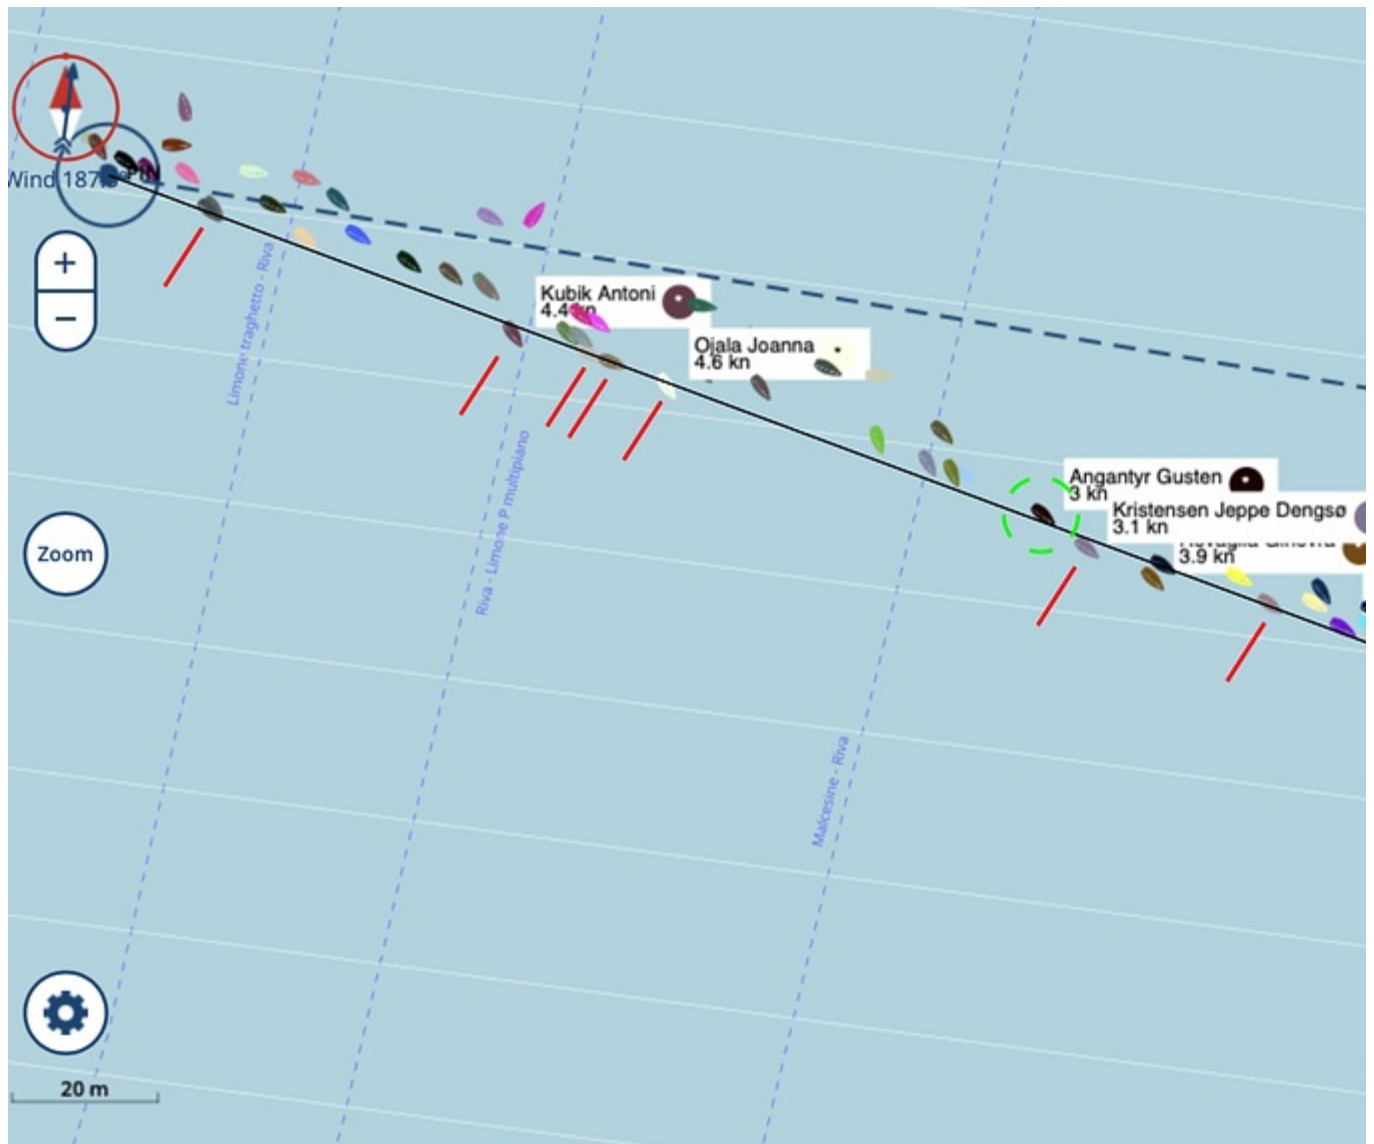

Question For: Protest Committee

Question:

We strongly object to the UFD. Many boats around 4912 is in front of him in the start, and has not got a UFD. This is the second unrightfull judgement from the competition. The first one we got in race 2 we accepted, but this one in race 6 blue fleet is very wrong. Check attached image. You absolutely have to change this UFD.

These are the boats in front of us but didn't get UFD.
