## Question for Officials

**Date:** 2026-05-10

---

**Question No:** 12

**Question For:** Race Committee

**Question:**

Dear Race Committee, We kindly ask to view the ECMWF weather model that was used for the Offshore Race scoring calculations, for example through weather charts or a running version of the forecast adopted for the rankings.

---

**Answer:**

The process for issuing the ratings in accordance with the forecast cannot be changed. We believe that everything was done correctly.
