Question for Officials

Date: 2026-06-01

Question No: 10

Question For: Race Committee

Question:

regarding class flag, we kindly ask to position it ok the stern stanchion (approx 1,10 from deck level). The reason is our boat has quite a lot of boat length aft of the boom end and when the flag is on the runner it gets tangled in the main sheet block when the runner becomes a leeward runner

Answer:

Perhaps you are able to raise the flag higher and avoid the mainsheet block, as the rule is at least 1.5m.
