## Question for Officials

**Question No: 11**

**Question For: Race Committee**

**Question:**

Good evening,

There are several "MA areas" in this zone where, under Italian regulations, sailing is prohibited.

As they are not mentioned in the SI and/or NoR, I kindly ask whether these areas should be considered exclusion zones.

Thank you.

---

**Answer:**

Although not all restricted zones are listed in the Sailing Instructions, boats should comply with any noted restricted areas on nautical charts and Italian Law. It is not possible for a Race Committee to identify all such restricted areas. Where possible we have added a waypoint to keep boats on the correct side, or have listed the most likely restricted areas in the vicinity of the racing areas.
