Question for Officials

Date: 2021-08-07

Question No: 27

Question For: Race Committee

Question:

Please we would like to understand why the classification of the 5th race has changed as in the first instance I was third in general classification on equal points, while now we are fourth in general classification? And which implicated wind was been used for that race ?

Best regards

Answer:

The provisional classification had a mistake in distance. It has been corrected.

Implicated wind:

-Final R3: 9'74

-Final R4: 10'4
