Question for Officials

Date: 2021-09-04

Question No: 06

Question For: Race Committee

Question:

Hi

We still have a problem with our AIS system as we receive all positions of boats but we have no emission.

We have not any technical solution and we are not BandG technicians...

We don't want to have any protest from others competitors and maybe a solution for equity can be to stop AIS ?

Thanks, regards...

Answer:

No, AIS has to be on throughout the event.
