Question for Officials

Date: 2021-09-08

Question No: 01

Question For: Race Committee

Question:

H. On downwind: are crewmembers allowed to step down the companionway, with the upper body remaining outside?

Answer:

Class Rules C.11.8 only permits crew momentarily in the cabin and it is prohibited to have crew remain below for the purpose of enhancing performance. But the companionway is not considered part of the cabin.
