**Question No: 01**

**Question For: Organizing Authority**

**Question:**

My crew had to be hospitalised unexpectedly in Luxembourg yesterday evening on our way to Italy. He will not be able to come to the venue. If you know someone who wants to crew (or helm) with me, then I would be happy to continue my journey to PIOMBINO. I would be able to get there tomorrow. He/she can contact me on this number, Dutch/English/French speaking will be OK. I will wait here in Luxembourg until 15.00 this afternoon until further notice. Hans.
