Date: 2019-07-09

Question No: 06

Question For: Race Committee

Question:

This is a scoring inquiry about the cumulative scoring... the app for scoring inquiries won't accept a question about the overall cumulative scoring without posting individual race information which doesn't apply. I couldn't get it to work so I posted here.

Series cumulative scoring S4, S5 and S6 show only 4 races out of 5 of our series 2 cumulative scoring results. S2 cumulative is correct, while S4, S5 and S6 are incorrect and causing some confusion among our fleet.

Answer:
