## 7. Description Of Incident

We experienced damage on mast on the boat provided by the organizers. We are certain, that it was not caused by our team, but we believe it's some kind of hidden structural issue. At the moment it keeps us out of racing and we feel disappointed and harmed by this uncaused incident.

At the moment of accident we sailed on the 2nd place and it's painful to us. Therefore We request for redress the protest committee for races where we did not finish, resp. can not start.

Thanks

Tomas Karas
