

30 St. Nicholas Regatta 2021

[Public Information]

COVID-19 measures

JK Vega ask you to be aware of COVID-19 preventive measures and we remind you to keep the safe distance, avoid close contact where possible, follow hygiene practices and use hand sanitizer regularly.

Please wear masks indoors, as well as when waiting in lines or in groups.

! Keep in mind that club rooms are for STAFF ONLY.

! All information will be on the ONLINE NOTICE BOARD

All participants in the event (competitors, support team personnel, officials) are required to:

- Stay in their accommodation when appropriate
- Inform the COVID delegate immediately when feeling sick
- Have access to sufficient amounts of nose-mouth masks and disinfection gels for personal use.
- Follow instructions of the COVID-delegate
- Social gatherings will be reduced as much as possible and will maintain principles of social distancing.
- Temperature and general wellbeing will be recorded of all participants entering closed rooms (registration, equipment inspection, hearings, team leader meetings etc)
- All participants are required to wear nose-mouth masks in closed rooms.
- The Official Notice Board and results will be online only
- Information and updates to competitors and teams will be shared via electronic means.
- Protest hearings will be conducted with minimum participants, and maximum possible distance between the parties and the Protest Committee. Protest committee and parties shall wear nose-mouth masks. No observers will be allowed. Tables and utilities (model boats) will be disinfected between hearings.
- Jointly used surfaces will be regularly disinfected.
- Persons with suspected infection will be isolated and turned over to national health authorities. Further participation in the event may be restricted. Trace and Track, and close contact surveillance will be conducted.
