7. Description Of Incident

Eileen (boat 16) was on starboard tack within 15m of the pin end of the finish line. Leila (boat 3) approached us from further out on port tack. On her closing approach, even though we announced "starboard", Leila did not alter her course, and as a result we were forced into a tack to avoid a collision. This resulted in us being pushed away from the finish line. Furthermore, we were then forced to drop below Isobel (boat 19) as we were now on a port tack and she was on a starboard tack. This resulted in a further loss of distance from the finish line and a loss of a further place in the order of finishing.
