7. Description Of Incident

As I was approaching the top mark on the starboard layline, I was crossed by Hamilton 164327, and was on a collision course with Thomas 217353. I hailed starboard many times and even saw him look at me and decide to try to cross. I turned down and went behind his stern to avoid a collision, and missed the top mark as a result. There were three witnesses who were very close at the time of the protest.
