7. Description Of Incident

Yesterday,During race 12 I was at the last reaching and foiling about three four board lengths to the gate marks,HKG 25 was two three board lengths next to me.Suddenly the race committee boat came to me while raising the abandon signal flag and telling me to stop so I stopped completely.however today the race committee revalidated race 12.I believe that given the time I had left I could have finished the race within the time limit if i had not been stopped.which is why I am requesting for redress for race 12.
