7. Description Of Incident

I was on the starboard lay line to the top mark, nzl 221703 was on port tack, sgp 212221 was on port tack, overlapped with nzl 221703 on the windward. Sgp 212221 bow was around the middle of nzl 221703 boat. After shouting starboard, nzl 221703 asked for room to avoid, suggesting 212221 to tack since they can already round the mark. 212221 however did not take action. I tacked right before contact was made and shouted protest, avoiding contact.
