7. Description Of Incident

I was sailing on starboard tack, CRO 211544 approached on port tack, accompanied by another boat covering him, I hailed to CRO 211544, he did not respond, after a brief moment he crashed into my vessel's port side, his boat sliding onto mine. I hailed protest to him. After a while I looked at him, he glanced at me, I gestured with my hand to him to do the turns, after which he proceeded to do them.
