7. Description Of Incident

while rounding the windward mark SUI hit the mark, and started doing a 360. I rounded the mark right behind her, and she did her 360 right in front of me, requiring me to avoid by rounding up and luffing above her in order to avoid contact. I hailed protest, and she did not do her required 720. 5 or 6 boats passed me during this incident.

8. Damage Or Injury
