7. Description Of Incident

Alec DETREY SUI 1452 scored DNS although he started and finished the race, close behind POL 1452 (same number, different country) and in front of HUN 2010. The number being the same as the Polish kid probably led to a misunderstanding.

Thanks for taking our request in consideration.

Raphael Vallotton, team leader of the CVVT kids.

8. Damage Or Injury
