## 7. Description Of Incident

Prior to the start of race 5 (first race of May 26), the race committee asked one of the safety boats to move among the coach/support boats in the starting area and ask them to please wear their PFDs and kill cords.

Aboard the vessel marked with flag #45, the driver put on a PFD, but the other person aboard refused. The boat drove away from the safety boat. A race committee member aboard the safety boat, Wendy Vayla, took the attached photographs of the boat before and after the discussion.
