7. Description Of Incident

I was at 7th place at the downwind gate right after Dániel Cserveni who finished at the 4th place and I finished at about 33th place. A lot of other competitors who were in the left side of the course were in the same position as me because of the dying wind which was at or below 5kn and its direction was completely unpredictable. We were on the left side of course but out of nowhere wind picked up on the right side and those who were there gained a unfair advantage. Due to these factors I would like to ask for an average score or an abandonment of the 6th race.
