## 7. Description Of Incident

I was sitting close to the starting line, on a close hauled steady course, when at 10 seconds he came reaching across above me. I held my close hauled course as I sailed towards the starting line, and hailed "leeward, leeward" as he was on top of me. His boom/sail hit both my boat and me, and as a result of his foul I was pushed out the back of the fleet. Immediately following the incident I hailed "protest, Brazil 205373." In response, he said "I'm sorry, I'm sorry, I will tack." He did not do his two turns, and continued sailing upwind.
