7. Description Of Incident

At 15 seconds to the gun, 3058 was approaching the line on a wide upwind angle, flying. 2658 was sailing on a reach parallel to the line, flying. The two boats were converging, with 3058 slightly in front. 3058 asked to keep clear many times and well in advance, but 2658 did not care to do it and kept bearing down on a reach. 3058 bore away to avoid collision. After that, the two boats were sailing parallel to each other, with 3058 to leeward. Again, 3058 asked 2658 to keep clear, but 2658?did not do it. 2658 held its course until the gun.
