## 7. Description Of Incident

Last race of fleet green downwind i was far ahead of kiteboard 122. I fall in the water, and swam back to my board, i just got it and tryed to put my feet in, with kite at 12 o'clock, when suddenly from behind she crashed my lines. I was racing hard today against finish window time limit. Earlier races sometimes I missed only a few seconds. On this last race I could have had at least one race when I finished in the limit.

I was angry and shouted her "what are you doing" and she said "sorry, i just tried passing"
