## 7. Description Of Incident

I was sailing upwind on starboard not making the mark waiting to tack to make the layline. 204625 sailed full speed on a reach on port after overlaying the mark. I headed down as soon as I saw the boat and 204625 altered course up so that my starboard side and his starboard side slid past each other, with contact. His mainsheet hooked around my bow and only became unhooked after I became stuck in irons and drifted backwards. I then yelled "protest 204625."

## 8. Damage Or Injury

Not to my boat, unsure about 204625
