## 7. Description Of Incident

During the start of race one, we the leeward boat (sail number 88) were crossing the start line at the pin end. The windward boat (HKG1) was running the line on starboard, we had clear overlap at the shrouds. They were not on a close hauled course. We needed space to cross the line so we hailed at them to head up. They failed to follow suit, colliding with us wing on wing, which forced us to collide with the pin boat. We were unable to avoid the collision because the windward boat was pushing down. We immediately hailed protest. No spins were done.
