Notice Number: 01

Subject: CANCELLATION/POSTPONEMENT OF PESTA SUKAN 2021

Due to the recent tightening of Safe Management Measures and the return to Phase 2 (Heightened Alert), the organisers of Pesta Sukan 2021, Sport Competition, have made the difficult decision to cancel/postpone the event. The revised date will be announced soon as we work on revising the event plan.

We apologise for any inconvenience caused and seek your understanding that this decision was made with the public's safety as a top priority. While we are disappointed with this development, the safety of our community remains paramount to us as the risk of a cluster forming around these events is presently assessed to be high.

For competitors who have made payment for the event, we will be holding on to the payment made, pending for the new postponed dates. In the unfortunate event if the event has to be cancelled, or you wish for a refund, please click on the link below for us to process the refund fee.
