7. Description Of Incident

As we approached mark 5 I had an overlap when we entered the three boat lengths. 197921 was about to give me room but then 211260 shouted at her and told her that I did not have room. It was clear that he could not see the overlap as he was behind us in the race course. He influenced her to not give me room and therefore I had to quickly turn in order to avoid contact. This was when he broke rule 2 (unfair sailing). Because of this quick turn I could not round the mark properly and I lost 5 places at the mark due to this. She did not give me room even though I clearly had an overlap entering the three boat lengths. 211260 shouted at 197921 knowing that it would benefit him in the overall results.
