7. Description Of Incident

We were on port tack not overlapped entering the zone one boatlength windward to the mark. Approaching the mark we gyped on starboard and go for the mark and in this moment the boats GER 488 and HUN570 come and didn't give us room so we needed to avoid the contact with them. After that the same rule break happened with NED 420 cause they also sneaked in and we had to avoid them aswell.
