7. Description Of Incident

I and my skipper chiara Ingrassia (boat 117566) were sailing port-tack toward the First mark and we were overlapped with boat 117704, wich was the leeward boat. We were overlapped when we entered the zone. Meanwhile there was a starboard-tack boat that was fetching Mark 1 and It was in a collision course with my boat 117566 but not with boat 117704. Boat 117704 was the outside boat that should have given has (the inner boat) space to avoid the obstacle (the starboard-tack boat) according to rule 19.2b. It did not happen- as boat 117704 did not change its course. I tried to slow down my boat as I could but i did not manage to avoid contact with the starboard-tack boat. However the contact did not cause any damage. There was contact between our port-bow and its Port-rudder. I did the One turn self-penalty as soon as i could before completing leg 1.

8. Damage Or Injury

No damage.
