7. Description Of Incident

Rounded leeward mark in 10th ready to start 2nd beat. Was sailing upwind when we came across the offending boat on port, we hailed starboard and 2422 took no evasive action. We then proceeded to take offensive action but it was too late. We collided and got our nose tangled on their main sheet. They capsized and my crew fell out of the boat.

8. Damage Or Injury

Gouges to the front of our boat and my crew sustained a whack on his arm while falling out of the boat. (Dead arm)
