7. Description Of Incident

The Race Committee has Scored Yagiza as OCS.

No flag x Ray was seen

No sound signal was heard.

About 10 minutes after the start a Jury boat approached Yagiza to identify it to the Race Committee. We heard the communication between the race committee and Jury boat. Yagiza, according to the bowman and Adrena and tactician was below the line.

Yagiza believes that the time between the race jury identifying Yagiza to the RC made the accuracy of the identification not possible.

Other boats were closer to the line.

Yagiza was 10 metres below the line at the start signal.

Where Yagiza was placed on the start line the committee vessel was obscured from view by other boats.
